~Explore the 40 questions for self diagnosis such as:

1. Have you ever tried to control how much sex to have or how often you would see someone?
2. Do you find yourself unable to stop seeing a specific person even though you know that seeing this person is destructive to you?
3. Do you get "high" from sex and/or romance? Do you crash?
4. Do you believe that sex and/or a relationship will make your life bearable?
